• STORAGE, REDEFINED •

Rough-hewn solid pine and rustic bronze hardware give our ROWAN STORAGE BED its heirloom look and feel, while four drawers – two on each side – seal the deal if you need extra space for clothes and blankets.

See it without storage at livingspaces.com

Inspired: ROWAN DRESSER

The unique drawers that distinguish our Rowan bedroom collection were designed to evoke vintage printmaker’s cabinets, which typically stored maps, plans and blueprints. This dresser also boasts two narrow top drawers with felt-lined inserts to protect jewelry.
{ In Depth } **RYLAND DESK**

You’ll run a tight ship thanks to our feature-rich Ryland Executive Desk. Decked in a wire-brushed acacia finish, this seven-drawer design takes multitasking to another level. You can organize important documents in two locking file compartments, store your keyboard in a drop-down center drawer, plug devices into the power strip, and wrangle office supplies in removable trays.

LOVE FOR REVIVE

“The r1 plush queen mattress is a great purchase. This was my first time not buying a spring mattress, and I don’t think I’ll ever go back. The memory foam is incredibly comfortable, so you don’t have to buy an extra mattress topper, but still gives enough support. It even comes in a box so easy to bring home!”
-Britt, CA

“Best night I ever slept. I would not have picked anything else. The cold layer on the top of the r2 medium mattress makes it very fresh especially when it’s warm out.”
-Yessy, AZ

“I love the r2 firm mattress. I work nights, so I get a really great “days” sleep. The cooling system woven into the mattress is wonderful and keeps me comfortable.”
-Coleman, CA
