OUTDOOR LIVING 2019
Get away from it all, without ever leaving home. Our new outdoor collections have everything you need to create an open air oasis in your backyard. Welcome to your Staycation.
The right mix of furniture can transform a space, and transport you somewhere completely new. See how we styled a home in Southern California to channel four dreamy destinations.

**GET INSPIRED**

one home. four ways.

The right mix of furniture can transform a space, and transport you somewhere completely new. See how we styled a home in Southern California to channel four dreamy destinations.

**somewhere elevated**
high style rooted in clean elements

**somewhere rustic**
new traditions from the french countryside

**somewhere remote**
a modern escape with southwest spirit

**somewhere lush**
a tropical oasis packing texture + color
a Pacific Northwest cabin with easy access to the lush forests, picturesque mountains and breathtaking bodies of water this destination is famous for.

somewhere elevated
serenity starts here

Bring tranquility, durability and quality to backyard gatherings with these inviting designs.

Starring FSC-certified eucalyptus: a tropical hardwood with natural oils that repel moisture and prevent decay.
