Dare to Decorate

Every piece of decor you bring into your home represents a piece of you, so choose wisely.
Nothing makes your bedroom feel cozier or look more pulled together than accent pillows. Creating the retreat of your dreams is as easy as adding a few richly textured designs.
Available in different shapes, sizes and styles, our pillows represent a wide variety of looks, so you can achieve a wide variety of displays in your space.
Throw blankets keep us warm and warm up a room, bringing that special something to sofas and chairs everywhere.

throw with the flow

Take a closer look at our mirror selection, and you’ll see an array of ways to enjoy your reflection.

Different designs, all divine.

**mirror magic**

Cast a spell in your space by making it appear bigger with a strategically placed mirror.
Establishing a theme in your room is as easy as adding expressive art. From rich color palettes to specific styles, the right piece can communicate your design message.
When you want to apply a finishing touch, nothing does it better than décor. Sculptures, planters, vases and trays all pull their weight completing a space.
Good lighting is everything, and our lamps will amp your room up.

**lighten the mood**
As sculptural as they are functional, our table and floor lamps will brighten your day and your space.
