

A photograph of a modern outdoor dining set on a green lawn. The set includes a rectangular table and a matching bench, both in a light grey color. Several black metal chairs with a woven mesh back are arranged around the table. On the table, there is a clear glass bottle, a wooden bowl filled with blueberries, and some other small items. The scene is set under the shade of a large tree with thick green leaves and clusters of pink flowers hanging from its branches. The background shows more greenery and a blurred house.
