OUTDOOR LIVING 2020

LIVING SPACES
defined
when your outdoor space emphasizes purpose and function

centered
when your outdoor space reflects who you are and what you want
When you treat your outdoor space as an extension of your home, you’ll discover just how stylish and comfortable it can be. Like you, it evolves over time, and we have designs for every stage:

**elevated**
when your outdoor space gets taken to the next level of style

**reinvented**
when your outdoor space undergoes a transformation
With a defined outdoor space, purpose and function dictate the types of designs you choose. From small space-friendly collections, to practical pieces, you need items that are convenient and extra efficient.

come together

Thanks to eucalyptus, you’ll notice that these designs boast a tight grain and silver patina that develops over time. They also include cushions that are upholstered in double-stitched solution-dyed polyester and contain foam that’s water, mold and mildew-resistant.
The Adirondack chair is one of the most iconic outdoor designs, and our version exemplifies why. Available in 3 handsome finishes - which are applied using a 7-step process - it is characterized by a tall slatted back and deeply slanted seat, where you can settle down and drink up the scenery. Made of 100% solid acacia - a hardwood that contains rot-resistant natural oils - this piece is durable yet lightweight.
**seat treat**

With three options for dining seating – a powder-coated aluminum bench, sling chair and upholstered chair – our Ravelo collection allows you to create a setting that suits your needs. 🍽️
