VENDOR ITEM NO. : 4HM363*

WARNING:

- **Maximum distributed load capacity: 300 lbs.**
- **Standing or jumping on this product may result in damage or injury**

ROUTINE MAINTENANCE:

Periodically check all fittings, which can loosen over time.

CARE AND CLEANING:

UPHOLSTERY - Avoid exposing your furniture to strong sunlight. Prolonged exposure to direct sunlight can fade the finish of your furniture. To clean spots and stains, please follow instructions per the fabric cleaning code. An annual professional cleaning is recommended to keep your upholstery looking its best.

METAL - Dust frequently with a clean, damp, lint-free cloth soaked in mild soap and water. Avoid the use of chemical and abrasive cleaners, as they can damage the finish. To restore the shine to your metal, soak a cheesecloth in a nonabrasive cleaner (like liquid dish soap) and rub the chrome component lightly until the original luster reappears. Dry the component with a clean soft cloth to remove any soap residue. Iron or steel frames will rust if the finish is scratched or if your furniture is exposed to excessive humidity, particularly in coastal areas.
