

Assembly Instructions- 28741 BOOK RACK ON HAIR PIN LEGS

4 Legs

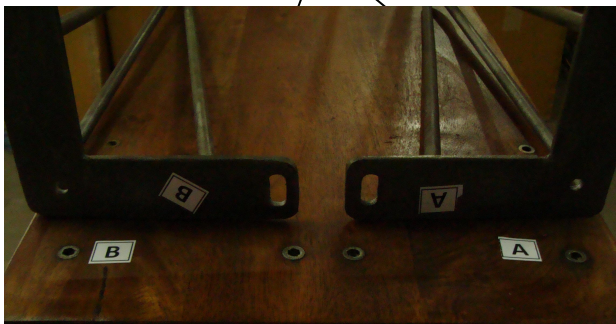

MAIN UNIT

Allen Cap Bolt x 12 ;
Washer x 12;
Allen Key x 1

MATCH THE
ALPHABET

- You will find 4 legs having sticker A/B/C/D ; and one main unit chest with fixed nuts on bases. Each corner has a unique alphabet sticker corresponding to one on each of the legs.

- Turn the main unit upside down to assemble the legs to the unit. Match the alphabet assigned to the legs with the alphabet assigned to the 4 corners on main unit base.

- Place the iron leg against nut of its matching base corner and carefully insert the Allen Cap bolts with washer thru the holes. Then, tighten the bolts with the help of Allen Key provided.

- Follow same procedure for other three legs.

- Turn the unit correct way up.

- Book Rack is now ready to use.
